Testimonials

FROM OUR NEWLYWEDS

There are no words to describe Valentina's helpfulness, kindness, and professionalism! We will never stop thanking her! Dream location! Large and spacious hall, fabulous panoramic views! Thank you so much!

Veronica

We couldn't have chosen a better venue for our wedding, unique from start to finish, Valentina stole our hearts, both her and all the love she puts into her work. We will never finish thanking you for the wonderful day we had!

Alice

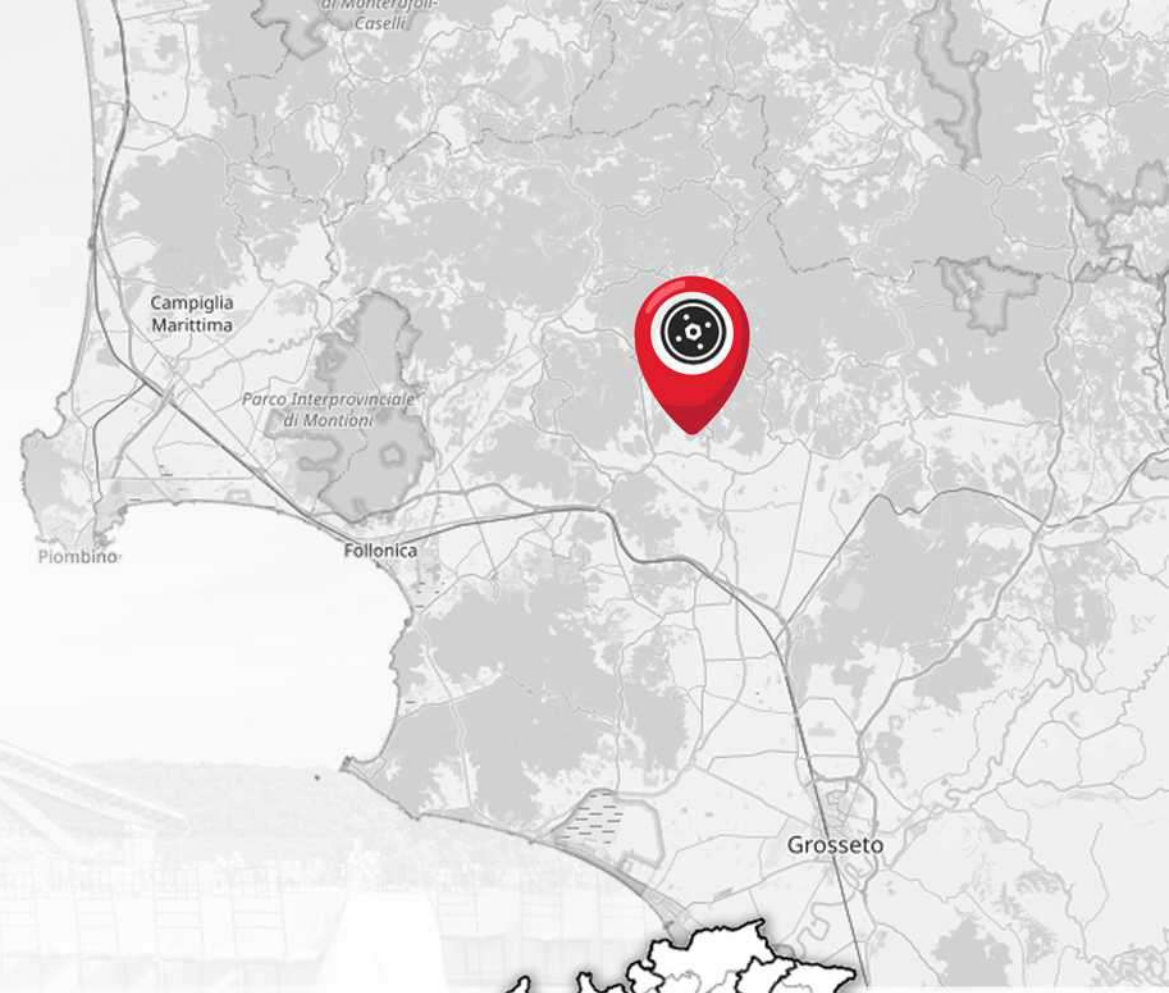

It is easy to describe how each dish was prepared with exemplary care, how the room was decorated down to the last detail and how the service was perfect. What is difficult to describe is the alchemy created by Valentina and her staff, who put the bride and groom at the centre of all their attention, with manners and etiquette that are unfortunately not very common in the Maremma. Finally, the venue is the icing on the cake, beautifully set in a postcard landscape.
